MEMORIAL Day

A day in the year which has been set aside for the purpose of remembrance and honor.
A day that has a difference for each of us in the memories recalled and at the same time a unity as we join in thought.
Reverence is its watchword as we recall our loved ones, departed, and yet so truly with us at this time.
We pause from the rush of everday living to pay tribute to their memory.

port of this meeting.

New members named by Mrs. Kerst are Mrs. Lawrence Green, Mrs. E. Everett Eldridge, Jr., Mrs. Iris Furnans and Mrs. John Mort.

Two scholarships will be awarded to Mattapoisett residents graduating from a secondary school in June. One will be a $200. college scholarship and the other will be a $100. nursing scholarship.

The secretary's annual report showed that the club had an active and successful year. Eighteen new members were accepted into the club during the year. The club donated to many worthy causes during the year. Among these were the Mattapoisett Athletic & Sports Committee, Community Halloween celebration, CARE, New England Home for Little Wanderers, and the American Field Service.

The social activities committee netted a profit of $700.17 on their three projects for the year. These projects were a candy sale in December, a rummage sale in February and a style show in March.

Annual reports were by the secretary, treasurer, auditor, membership, scholarship, American Home, literature-drama, teas, music, veterans, bowling, program and the social activities.

The president, in giving her annual report, thanked all members of the club for their fine support and cooperation in making her 2 years as president so successful. She presented the club with a gift of a lace tablecloth and a mint dish to be used on the tea table. A scrapbook, showing the club's activities during the year, was on display. A buffet dinner preceded the business meeting.

FAREWELL TO A FRIEND

Mr. James Maury of Beacon Street, Mattapoisett passed away suddenly on Monday, May 16th, at the age of 73. I don't know of anyone who had a greater knowledge of the people living here or a greater interest in people in general. Many of the covers for this paper have been reproduced from Jim's photographs, and many of the paintings were made from photos which he made and loaned to us. His last photo appeared on our cover on December 10, 1959. Several of the articles in our pages resulted from Jim's invitation to be his guest at a lecture. In so many ways he was a generous, thoughtful help. We appreciated Jim for his personality and wit, and enjoyed his frequent visits as did so many others in the town. The loss is felt by Jim's many friends, and we are grateful to be among them.

THE SUMMIT

The summit was abnormal in one respect. It was short. There is this to be said for our foreign policy; it is deceptive. If the Soviet knows what our Secretary of State will do next, they are better informed than he is. Khrushchev made his stand in the plain language of gut fighter. We know how he stands in no uncertain terms.

The American people are behind the President and will be behind the next President, as will the free world. No amount of vilification at the hands of a soviet dictator will change this fact. Khrushchev has made it plain, beyound a doubt, that the smiles and friendly gestures of the past were a cover up for the advantage to be gained. We know what we face. The side that never mounts an offense will never win a battle. We need a firm, strong stand and the faith to support it in unshakable terms.

SIPPICAN CLUB HAS MEETING

The members of the Sippican Woman's Club of Marion met at the clubhouse in Marion on Friday, May 13th, for their regular meeting. Dessert was served at one o'clock with Mrs. Darrough Gurney pouring the coffee.

The meeting was called to order by the president, Mrs. Clayton Keith. Members stood in memory of the club's former president, Mrs. Alphonse Query, and later voted to give a book to the Marion Library as a memorial.

The chairman of the entertainment committee introduced Miss Gertrude Allen of Wollaston who delighted the audience with an interesting and humorous talk on "Familiar Birds at Home", while at the same time drawing rea-

two silver, one gold arrow; Lance Alves, two silver arrows for rank of wolf and Bruce Deakin, wolf badge. Cubmaster Lawrence congratulated the Cub Scouts in the earning of the awards.

Through the courtesy of Premium Photo Supplies, Cub Scouts and parents viewed the films, "Termites From Mars", "Happy Scouts" and "Midgett Car Maniacs", starring Abbott and Costello. Explorer Scott Chadwick ran the projector for the showing of the films.

Explorer advisor, Calvin R. Daggett spoke to Cub Scouts and parents concerning the Boy Scouts' Golden Jubilee Fund $100,000 campaign. Mr. Daggett stressed the point that the first $50,000 raised has been allocated for work to be done at Camp Cachalot, the next $35,000 will be used for a Boy Scout Center, and the balance will be divided between Camp Cachalot and the Center. Continuing, Mr. Daggett noted that it is hoped each scouting family can contribute $20. which amounts to 20 cents per week over a two-year period. Families can make pledges within their means and spread over a period of time.

In other announcements, Cubmaster Lawrence noted that registrations are being taken now for Cub Scouts. A boy must be eight years old to register and registrations may be made with Cubmaster Lawrence, assistant Cubmaster Joseph A. Chamberlain or committeeman

You can walk anywhere in a Jantzen

Just a few years ago, when this matter of men keeping comfortable in walkers first came up, we ran an ad with the above headline. Actually, perhaps because of a basic insecurity in our stand at the time, we showed a man stepping into a crevasse; we reproduce the picture (*lower right*) to refresh your memory of those times. Remember the days when only a few bold citizens were helping us pioneer the way?

Since then, walkers are the uniform of the day for men on vacation, and this makes us exceedingly happy, since we have so many factories all over the world making walkers, the proper shirts to go with them, and other sportswear.

Bob Cousy is shown here in our good-looking $6.00 walkers that are tailored to fit, with this great improvement: they are proportioned for varying leg lengths. The $5 knit shirt coordinates with the walkers; six pleasing colors are available. Many fabrics are in the walker collection, including cotton gabardines, twills, denims, cottons, butcher linens, tropicals, cords, and hopsacking—in prints, checks and solids. As is so often said, at the better stores.

Mr. Joseph Souza thanked the Volunteers of America for the splendid way the organization handled the case of a family stranded in the city. Lodging was found for the family and they were given food and clothing. The family had been referred to the Volunteers of America by the New Bedford Police Department.

It was brought to the attention of the Board that a letter had been received from Senator Howard Young, the president of the United Fund, which requested that the Volunteers of America make a formal request for reinstatement into the United Fund. Atty. Herman stated he had not received a reply yet to his letter.

Mr. Hughes gave a service report for the month of April.
